

SAFE PARTY TIPS

As guests RSVP, confirm that they have a plan for a safe way home via a non-drinking designated driver, like UBER.

Plan activities like party games or door prize drawings that do not involve alcohol and engage people, resulting in a lower consumption of alcohol.

Do not push drinks! Drinking at a party is not mandatory for having a good time.

Provide plenty of food to keep your guests from drinking on an empty stomach.

Avoid too many salty snacks, which tend to make people thirsty and drink more.

Offer non-alcoholic beverages or mocktails for non-drinking designated drivers and others who prefer not to drink alcohol.

Never serve alcohol to someone under 21 and never ask anyone under 21 to serve alcohol at parties.

If, despite your efforts, some of your guests have had too much to drink, never let them drive home impaired.

Have the UBER app on hand or offer your sofa to guests who need to stay put.

Have fun - but not too much fun. To be a good host, you should stay within your limits in order to make sure your guests stay within theirs.
